Subject: Extension of the scope of accreditation of Rajasthan organic Certification Agency (ROCA), Jaipur to NOP certification

Dear Sir,

Please refer to your above cited application No. 1720 dated 10th June, 2013 for extension of accreditation to NOP certification.

We are pleased to inform you that the National Accreditation Body (NAB) at its 27th meeting held on 12th June, 2015 reviewed the non conformity report submitted by the Evaluation Committee and the assessment report of APEDA on the preparedness of ROCA to certify organic products as per US NOP standards and decided to extend the accreditation of ROCA for NOP certification **w.e.f 1st July, 2015**.

You are advised henceforth to assess the registered operators separately for NOP certification and also maintain separate documentation (inspection report, assessment reports, certification decision etc.) for assessment by the Evaluation Committee during their visits.

The status of NOP accreditation of ROCA is being updated on APEDA website as well as on Tracenet. Please send us your new tariff for updation on APEDA website for certification as per NPOP and NOP.

Yours faithfully,

Dr. PVSM Gouri
Advisor (NAB)
